Subject: Contract dated 24 June 1958; termination inventory

Dear Sir:

Enclosed herewith are five (5) copies of the following schedules:

Form DD-543 - Finished Goods Inventory
Form DD-544 - Work In Process Inventory
Form DD-545 - Tooling Inventory

The items listed on these schedules constitute the complete termination inventory from the subject contract. All available prices are listed.

Contractor cannot use any of the listed items for its other business, nor does it desire to retain any of this equipment.

The Government-furnished equipment supplied for use in performance of this contract is as follows:

1. Twelve (12) Model 73-C Film Spools #733490
2. Four (4) Model 73-C Shutters #733210
3. One (1) Model 73-C Configuration, Serial #4 #733010
4. One (1) 300" Collimator
5. One (1) 300" Collimator Container #735595

Items 1, 2 and 3 above were supplied under Contract SC-21-54. Item 4 was supplied by Perkin-Elmer and Item 5 was supplied by Hycon on another contract.

Please furnish us with disposition instructions at your earliest convenience.

Very truly yours,

HYCON MFG. COMPANY
